The number of senior appointments (annual salary in excess of £50,000 per annum) made by EMCCA who are East Midlands County Combined Authority residents and the number of senior appointments made by EMCCA who are not residents of the EMCCA region.

There are currently 29 senior appointments with salaries above £50,000 per annum, 17 of these live directly within the EMCCA region and the remaining 12 although they live outside this region, majority of them border the region/live in the general East Midlands area. There are also 4 further senior appointments that are starting shortly at EMCCA, 3 of these live directly within the EMCCA region, the 4th lives in the South Yorkshire area.

EMCCA is committed to having a diverse and inclusive workforce that is representative of the region and the people within it.

I hope this satisfies your request.
